EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Stanley Spooner, Reg. No. 27,393, on 7 September 2004.

The application has been amended as follows:

In claim 1:

Replace "A computer program product comprising a computer program" with --A computer program product comprising a computer-readable medium containing computer-readable instructions that when executed are--.

The following is an examiner's statement of reasons for allowance: Prior art was not found that explicitly teaches or fairly suggests stopping computer file requests and updating property defining data in response to an update request and, after completing the update, resuming operation of the file requests such that subsequently requested files are scanned against the updated property defining data, wherein when all of the files have been requested, the file request logic requests a first computer file again as outlined in claims 1, 12 and 23.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
